BACKGROUND;

As Kayakapi Premium Caves Cappadocia Boutique Hotel and its employees, we aim to be a leader in occupational health and safety on a national and international scale and to continuously improve and maximize our occupational health and safety performance, based on sustainable development strategies in the sector in which we operate as the activities of accommodation places such as hotels.

SCOPE;

This is politics,

- Kayakapi Premium Caves Cappadocia Boutique Hotel,
- Kayakapi Premium Caves Cappadocia Boutique Hotel
- This includes personnel involved in contracts with suppliers, contractors, subcontractors and other organizations. The Board of Directors is committed to fulfilling the requirements set out in this policy and expects its employees to fulfill the same commitments.

To achieve our goals;

- To comply with other relevant national and international requirements beyond the legal occupational health and safety legislation in force, to continuously review and improve our occupational health and safety management,
- In our workplace, to identify all risks and near-miss incidents related to occupational health and safety arising from our activities that may impair the health and motivation of our employees, and to continuously carry out and update risk assessments with a proactive approach, to prevent occupational accidents and occupational diseases,
- Eliminating hazards and minimizing OHS risks, being prepared for emergencies (e.g. fire, flood, earthquake, explosion, etc.), ensuring, protecting and improving occupational safety, raising awareness, providing the necessary resources in line with good practice techniques for rapid alerting in emergencies, ensuring that continuous development is supported through training,
- Demonstrating a 'Proactive Approach', identifying hazards and risks in advance and taking the necessary precautions in a complete and timely manner,
- To deliver up-to-date theoretical - practical information to all our employees with 'Planned Trainings' and to gain competence,
- We undertake to ensure the participation, communication and consultation of employees, employee representatives and all our stakeholders in the planning, implementation, performance evaluation and increase, continuous improvement and
