PURPOSE

As Kayakapi Premium Caves Cappadocia Boutique Hotel, we act in accordance with sustainable development goals that take into account both national and international standards in human, environmental and governance issues. We expect all our employees, stakeholders and all our suppliers, who are among our stakeholders and with whom we cooperate in the supply chain, to adopt this approach and to adopt the supplier code of conduct we have determined.

At the same time, we aim to support our suppliers in determining and complying with their own corporate codes of conduct and to provide all kinds of tools and equipment resources in this regard.

SCOPE

Our supplier code of conduct;

- Kayakapi Premium Caves Cappadocia Boutique Hotel,
- It includes all our domestic and international suppliers, sub-suppliers, contractors, goods and service providers and all stakeholders in cooperation with Kayakapi Premium Caves Cappadocia Boutique Hotel.

OUR RULES

- 1- Complying with national and international standards on the procedures and principles of employing young workers, ensuring that individuals are not forced to work against their will, minimum age of employment, etc.
- 2- To comply with the issues such as honesty, confidentiality, protection of personal data, conflict of interest, etc. specified in Kayakapi Premium Caves Cappadocia Boutique Hotel's Code of Business Ethics and Policy and the issues in other policies specified under this policy and the national legislation on Human Rights and the international standards adopted by Kayakapi Premium Caves Cappadocia Boutique Hotel
- 3- To comply with the environmental legislation in force and the international standards adopted by Kayakapi Premium Caves Cappadocia Boutique Hotel and to take an environmentally sensitive approach in reducing waste, preventing pollution, using natural resources efficiently, etc. in product and service supply and activities, reducing environmental dimensions, measuring, monitoring studies and other issues
